BUDGET COMMITTEE REPORT

As authorized by the Town Meeting of 1974, the Budget Committee reviewed the Town budget for 1975. In so doing, the Budget for 1974 and the actual 1974 expenditures were compared. Since the expenditures exceeded the budget almost without exception, the Committee tried to determine the cause. With the cooperation of the Selectmen's office and Mrs. Speckman, various financial summaries were supplied.

The review indicated a control problem often experienced by growth towns and companies. That, in fact, things had gotten out of hand.

Since there is need for reorganization and the establishment of control methods, the committee felt that stringent budget reductions were not in order, even though some excesses are present.

If the recommendations for procedures and reorganization are followed, improvements will most certainly be realized due to the efficiencies and controls being exercised.

The following recommendations are made:

1. The Selectmen should centralize the purchase of common items for all departments (such as, fuel oil, gasoline, motor oil, power, telephone, office supplies, and insurance) and gain the advantage of bulk purchase.

2. All purchase orders in excess of \$ 100 should be approved by the Selectmen before the order is placed, to assure the conformance to plan.

3. That all invoices and billings be received by the Selectmen's office, be verified by the appropriate department head, and then be placed in line for payment. In this way, early payment discounts may be taken and payments will not be delinquent.

4. The Selectmen's books should continue to be updated monthly reflecting the departmental activities quarterly; which will make the control process more effective and the budget activity in future years much easier.

5. The Police Department cost figures now approach those recommended in the study by the Police Chief's Association in their report of 1972 in which a full-time professional force was recommended. We also recommend that a full-time professional Police Chief be hired and that full-time professional patrolmen be hired to cover the increasingly complex job of protecting the Town.

6. The largest budget area, other than the schools, lies in the Highway Department. in 1974, under the supervision of the Highway Department, a total of some \$ 187,000 was expended. For 1974 a total expenditure of \$ 77,000 in labor was noted, this was an increase of \$ 14,000 over the prior year. With the growth of the Town little-used roads are now being increasingly used and must be upgraded to today's requirements. Along with the technical problems that road building and maintenance present, the Department appears to be in an out-of-control mode operationally. Therefore, our recommendation is that a professional Engineer/Supervisor be hired in the near future.

7. There are two areas in which the Committee made

ANNUAL REPORT

recommendations for appropriations, which were based on early information. There was general support of the concepts presented, rather than support of any specific proposals. These items are:

a. \$ 20,000 for rubbish removal

b. \$ 30,000 to fund the acquisition of recreation land.

8. Since the construction of the Town Office Building and the relocation of most of the Town activities from the Town Hall, the operating costs for the two buildings are a study in contrast.

Of the expenditure of \$ 7,076 for Town Hall and Town Office expenses, approximately \$ 3,220 was expended for the Town Office Building which is used seven days and nights per week, and \$ 3,856 was expended for the Church/Town Hall which is used for official town functions approximately ten times a year. In addition, there are other maintenance requirements for which the Town has contributed heavily in the last several years. The Committee believes it is now time to review in more detail the use and cost of operation of the Town Hall. A committee should be formed for this task as soon as possible

The Committee took note of the Jaffrey-Rindge school district budget and sent a letter to the school board requesting that attention be given to certain areas and overall fiscal restraint.

The financial line item recommendations have been made to the Selectmen and appear elsewhere in this report.

We have found this to be an enlightening experience and feel that much benefit can come to the Town by application of some sound business practice.

ANNUAL REPORT

INGALLS MEMORIAL LIBRARY

Report of the Trustees 1974

After a few very busy years of building fund drives and the actual building of the new addition, the trustees settled down to a more normal pace this past year. More time was devoted to increasing the patronage of the library and increasing the volume and quality of the books available to the public. This is continually being done with the help of our very willing and able librarian, Mrs. Eliabeth Sampson. The trustees are forever grateful that they have such a competent librarian who puts in countless hours over and above what she gets paid for. We must not forget the very able assistants too, Mrs. Mildred Semonite and Mrs. Laura Greene. Mrs. Semonite's retirement in December was regretted by all but we are confident that her replacement, Mrs. Janeal Ravndal, will be just as valuable to us.

A new audio visual machine with film strips was added to equipment the first of the year. Games and puzzles have been donated and are available on loan the same as books.

The annual flea market in July was a success again and brought our available funds up to a point that refurbishing and redecorating the children's room could begin. The money for this project has all been either bequeathed, donated or raised by flea market sales.

Mr. Lawrence Peabody gave freely of his advise as to what we should do and got us off to a good start. The children's room now has a new paint job, new shutters at the windows and lovely new lights. New tables and chairs are on order and next will come the carpet for the floor. If the money holds out there will be new bookshelves all around. We might have to wait for the proceeds of another flea market or a few more donations before we get the shelves but we will get them eventually.

We are sure all have noticed our lovely new sign, given by the Friends of the Library. The Friends have done a wonderful job all year hostessing and helping whenever needed. Many thanks to Mrs. Helen Snow, Chairman, and all of the Friends.

INGALLS MEMORIAL LIBRARY

ANNUAL REPORT OF THE LIBRARIAN

Once again your librarian can report a busy, fast moving year. She has recently completed the last of eight courses in Library Techniques, given at the University of New Hampshire and Keene State College. She is now qualified to receive the diploma of a " Certified New Hampshire Librarian" which will probably be conferred in July 1975. This is a part of the State-wide Library Development Program with which Ingalls Memorial Library is affiliated. She has attended all Library District meetings and workshops. All of this instruction has been profitable and, she hopes, has helped her and her staff to give improved service to the town.

Circulation is up about 800 over 1973. 138 newcomers and summer residents have registered during the year.

The librarians have conducted book review nights to cooperate with the " Special Interests Program" of the Rindge Woman's Club.

The Meeting Room has been in constant use. There have been 65 meetings by 9 organizations.

The continual donation of valuable time by the Saturday volunteers is much appreciated. Mrs. Clara Fraser, Mrs. Heidi Zacharias, Mrs. Gail Smith, Mrs. Betty Todd and Mrs. Elsie Chase have been most generous. These volunteers are under the direction of Mrs. Louise MacNeil.

Thanks go to Mr. Ralph Green for his interested and creative custodianship.

Your librarian regrets the retirement of her valuable trained assistant, Mrs. Mildred T. Semonite, and welcomes the new second assistant, Mrs. Janeal Ravndal, Mrs. Laura S. Green having been made first assistant librarian.

The story hours conducted by Mrs. Green and Mrs. Semonite have been successful. Volunteers: Mrs. Elizabeth Dingman, Mrs. Linda Tower, and Mrs. Fay-Ellen Turgeon. Films or filmstrip programs have been presented once a month. The Woman's Club has provided refreshments.

As we look ahead the chief concern of your librarian and staff is the building up of the circulation of juvenile books. Regretfully, there are some children in the town who never come to the library. Parents ! There are libraries in the schools, but they are only supplementary to the use of a Public Library and its service. Time spent before the television screen is not a substitute for a good book. Bring your children to the Library !

" The Library has a thousand books
All colors hues and tinges
And every cover is a door
That turns on magic hinges."

The Fire Company, thru funds raised by the Firemans Ball, Turkey Social, monthly Booster Club and donations, have added equipment to the Rescue Truck, and have added 3 additional two way radios to better coordinate our manpower and equipment at fires and other emergencies. This equipment has been donated to the Town. This year we hope with funds raised to finish equipping the Rescue Truck. We are also in the process of rezoning the Town so that every street, home, and lot will be better identified.

We are proud to continue to sponsor the Rindge Boy and Cub Scouts and the annual Christmas Party for Rindge Children.

This is our 50th year of service to you and we are planning some special events, be on the look out for these.

RINDGE HISTORY COMMITTEE

REPORT FOR 1974

In March, 1956, the Town voted to "raise and appropriate the sum of \$ 500 to gather and preserve historical records, data, and personal reminiscences with a view to facilitating the preparation and publication of a History of the Town of Rindge at some future date." Appropriations have been made periodically since then. A moderate quantity of genealogical records and historical material has been accumulated and is stored at the library.

The collected material has been in need of a thorough job of indexing, filing, mounting, storage, etc. Hope Davis has been working on this project and it should be completed this year. Much of the material is being put into special non-acid folders and into clear plastic covers, for preservation.

The Committee is requesting that the unexpended balance of \$ 234.64 appropriated for our Committee be retained and an article in the Warrant has been inserted requesting an additional \$ 300 to complete this work and for some supplies and equipment.

Mrs. Wilma H. Jewell is working with the Committee gathering genealogical materials and making contacts with those from whom we need information.

REPORT OF THE TOWN RECREATION COMMITTEE 1974

This committee was established in March 1973 by an article to authorize the Moderator to appoint a committee of five members to act as a Town Recreation Committee in cooperation with the Rindge Women's Club for the purpose of providing activities for the youth of Rindge. In both 1973 and 1974 the Town voted \$ 500.00 to carry out the work of this committee.

In the past year this committee has provided not only summer recreation but has tried to develop a year round program. Members of this committee have attended group meetings with other towns in order to develop better recreation in our area. These organized groups are named The Cheshire County Recreation Group (under the direction of William Allen of the Cheshire County Y.M.C.A.) The Contoocook Valley Recreation Committee, and the Jaffrey-Rindge Recreation Committee, made up of unofficial interested citizens and 6 official voting members comprised of one selectman, one school board member, and one high school student from each town.

The Women's Club Summer Recreation Program, which was established in 1969 as a pilot program financed by O.E.O. and the Spaulding Potter Charitable Trust this year was enjoyed by 78 youngsters and 9 junior counselors. Under the direction of Catherine Skolnicki and Marcia Niemela, the children spent mornings with crafts and sports at our Rindge Memorial School due to the kindness of the school committee and staff; and the afternoons swimming at Camp Monomonock thanks to "Captain Jack" Walsh and his camp staff. On each Wednesday of the six week program the children and adult volunteers took field trips on school buses which were placed at our disposal again by the school committee and staff. The field trips included Hampton Beach, Bear Brook State Park, Benson's Wild Animal Farm, Worcester Science Museum, and Keene State College Children's Theatre followed by a picnic and swim at Otter Brook State Park.

During the week they were treated to a mountain climb up Mount Monadnock, a morning of tennis at the private courts of the Davol family, "Introduction to the Piano by Mrs. Edith Sloane, and nature walks by Mrs. Peter Wells. The Friends of the Library brought into Rindge "The Little Red Wagon" a traveling puppet play group from the University of New Hampshire at Durham.

Our committee coordinated the Red Cross swimming lessons which were attended by approximately 50 children. We wish to thank Franklin Pierce College for the use of the beach and the life guard during this two week July period, and the Red Cross for its cooperation in sending us two excellent instructors.

The recreation committee has expanded its program into the remainder of the year. We have provided bus trips for Grade 3 and up to the Clark Memorial pool for swimming and have opened the Rindge Memorial School for gym nights for high school students. We again wish to thank the school committee and staff for its cooperation. The Mothers pre-school Coffee was organized which gave a chance for mothers with young children to meet others in the same age group. This Coffee group which is open to any interested

ANNUAL REPORT

parties, meets Wednesdays 9:30 A.M. to 11:30 A.M. at the Rindge Town Hall. The only requirements are that they bring one toy per child and pay 25¢ for refreshments. Also held in the past year were Women's exercise groups, and under the instruction of Mrs. Anthony Tremblay and Mrs. Eleanor Stanford adult needlecraft classes. The children of Rindge have enjoyed the Winter Sliding parties followed by refreshments served by the Recreation Committee.

This committee has also organized and participated in a "Spring Clean-up Day". For two years a Saturday has been set aside during which "young and old" volunteers comb the roadsides of Rindge to pick up trash. IT MIGHT BE NOTED THAT 80% OF THIS LITTER WAS MADE UP OF BEER BOTTLES AND CANS. It is hoped in the future that some of our town members find more wholesome recreation and instead of throwing things onto our roadways, help beautify them. We thank the individuals and the town for the drivers and trucks used to carry the trash to the dump.

The Rindge Town Recreation Committee wishes to thank the Town officials and tax payers of Rindge for their continued support, The Rindge Women's Club for their special help as well as their hard-earned financial help, raised through many special events by its membership, and the generosity of the Trustees of the Town Trust Fund. We especially thank all the individuals and groups who have volunteered items, money, and most important, their time. Without volunteers our town could not afford to provide this quality of recreation program.
